Parental Complaints Procedures

1. Introduction

Procedures are necessary to ensure fair treatment for all in the school and acceptable procedures should be known, agreed, and observed in the interest of good industrial relations and harmony in the school environment. Throughout the procedures outlined below all communication between the teacher and parent¹ and/or student² must take place in an atmosphere that is calm, dignified and in a climate that respects the viewpoint of any party involved in the Complaints Procedure. In the interest to all parties to the complaint, the Board of Management will endeavour to ensure that a speedy resolution is secured to the complaints process.

2. Purpose of this Complaints Procedure

- To provide a fair, consistent and equitable mechanism for processing complaints against teachers.
- To do so in a manner that affords all concerned full rights in accordance with natural justice.
- To outline the procedures, which should be followed by all - Board of Management, teachers, parents and students and/or their representatives - in the event of complaints being made against Teachers.

2.1 Exclusions: Complaints shall be excluded from the scope of this procedure when they are deemed by the Principal or Board of Management to be:

- (b) Only those complaints which are written and signed by the complainants may be investigated through Stages 3 and 4 of these procedures.
